

I want rules in place that serve the public, rather than private, interest. I oppose taking a vote that leads to more media consolidation. On June 2nd, I urge you to retain the current ownership rules. Serving the private interests chills freedom of speech and makes a mockery of the blood shed for that freedom. The very fact that this is an issue alarms me. I urge you to maintain the integrity of constitution and do what is right for the public not merely for special interest groups and corporate greed.
